

Where is the King of Glory?

Background

We were attending the weekly worship meeting at Calne Community Church, when the following words came to me.

Where is the King of Glory?

He was on the cross but now he's gone

Where is the King of Glory?

He was in the tomb but the stone has been rolled away.

Where is the King of Glory?

He ascended into Heaven but I can't see him there.

Where is the King of Glory?

He's here - he's in my heart!
